Dear Friends,

Welcome to 8th Annual Meeting of the IM-ACP India 2023, from 22nd to 24th September 2023, Hotel Vivanta by TAJ, Bhubaneswar, Odisha.

Bhubaneswar is an ancient city in India’s eastern state of Odisha, formerly Orissa. Many temples built from sandstone are dotted around Bindu Sagar Lake in the old city, including the 11th-century Hindu Lingaraja Temple. Outside Rajarani Temple are sculpted figures of the guardians of the 8 cardinal and ordinal directions. Jain antiques, weaponry and indigenous pattachitra paintings fill the Odisha State Museum.

After the grand success of IM-ACP 2022, we’re excited to come together again and to host a hybrid meeting with both physical and virtual attendance option. This time we are bringing expert faculty from across the country and around the world. You will also get exceptional educational experience and chance to interact with the experts in this conference.

ACP India Chapter 2023 targeting to have more than 1500 plus physicians and specialists.

We hope you find Internal Medicine Meeting 2023 professionally and personally rewarding.

With best wishes!
